Keynote speakers

Keynote Speech (I)

Professor Brian Paltridge of University of Sydney, Australia

Topic: Ethnographic perspectives on English for academic purposes research

Professor Paltridge has taught English as a second language in Australia, New Zealand, and Italy and has published extensively internationally in peer-reviewed journals. He also, with Sue Starfield, edits the Routledge *Introductions to English for Specific Purposes* and the *Research in English for Specific Purposes* series. He has taught postgraduate courses in the areas of second-language teaching and learning, language curriculum design and methodology, research methods, discourse analysis, English for specific purposes, writing for publication and thesis and dissertation writing.

Keynote Speech (II)

Professor Hu, Guangwei of National Institute of Education of Nanyang Tech. University, Singapore

Topic: Disciplinary culture and academic discourse

Dr. Hu is an applied linguist by training and an associate professor in the English Language and Literature Academic Group. He chairs ELL's Graduate Advisory Committee and directs ELL's PhD and MA by Research programs. Dr. Hu's current research covers academic discourse, bilingualism and bilingual education, home (bi)literacy practices and acquisition, language curriculum development, language learner strategies, language policy, metalinguistic awareness, and second language acquisition. His research articles have appeared in many edited volumes as well as international journals of applied linguistics, educational research, and educational psychology.
